

MATERIALS AROUND SCHOOL

Look around your school. Can you find examples of things that are made from each of the materials below?

MATERIAL	EXAMPLE OF USE
Metal	
Wood	
Plastic	
Glass	
Paper	
Rubber	
Cotton	
Stone	
Bricks	
Fabrics	

Now try to find out what materials the objects below are made from. Pay attention: each object can be made from different materials.

Object	Materials used
Desk	
Chair	
Book	
Window	
Globe	
Map	
Door	
Curtains
