

This is a poem about animals and their habitat composed by pupils from Class III and their teacher. ROMANIA

### CAPERCAILLIE, BEAR AND TROUT

A capercaillie from the air  
In the forest saw a bear  
In the river it have seen  
A small trout how fast it swim.  
Our brown and Martin bear  
For all of us is clear  
Like to catch and eat much  
Trout always at lunch.  
Capercaillie, trout and bear  
Long time ago they live here  
All of them like stay together  
In mountains in peace forever
