

CLIL Animals Cartoon

Class 4 (Primary) – age 8/9

FOLOW UP AND ASSESSMENT ACTIVITY . *Collect information about the Iberian Lynx. They have to search about their habitat, food and way of life.*

Process.

Students work in pairs. They have to share the information collected.

The students are asked to fill in the gaps of a text about the lynx. They have to use the vocabulary studied.

Draw the Iberian Lynx.

Assessment

Students have to complete worksheets about:

- Animals classification.
- Types of houses.
- Where do I come from?
- What do I eat?.

Each pupil have to show their drawings to the rest of their classmates and they have to evaluate their work and choose the best ones for the cartoon.
