

“We’re going on an animal hunt”

Pre-primary game

Aims:

- to discover animals from partner countries;
- to make predictions about each animal following the footprint;
- to mime and describe the way animals move (walk, run, jump, fly).

Materials:

- flashcard with animals;
- pictures with animals footprints;
- Europe’s map;
- Magnifiers.

Procedure:

Children, in pairs, start an animal hunting following the footprints and repeat “ We’re going on an animal hunt/We’re going to Italy (Spain, Germany, etc....). Then they have to name the animal and say if it is a mammal or a bird, a big or small animal.
